

Summer 2021 Volunteer Counselor Application

Volunteer Counselor Applicants must meet **ALL OF THE FOLLOWING** in order to serve with Kids Kamp 2021:

1. Submit a completed application. Please fill out the attached application completely. Incomplete applications or applications completed by parents will not be considered.
2. Have the desire to serve as a volunteer. Please do not apply if you are not enthusiastic about serving this summer. Hours are long and there is hard work involved, but the rewards are awesome if you want to be here. Kampers love you, paid staff appreciates you, and we have fun and we have great snacks!
3. Be available for a Sunday training in May (DATE TBD): This training is the time where we introduce volunteer counselors and lead counselors. We will participate in team building exercises as well as learn the policies and procedures by which we operate. All of this training is mandatory for counselors. In order to continue offering safe, quality, affordable programs, we must have all of our staff at the required training session. It is possible that after observing a volunteer counselor in this setting, we will reach the conclusion that he/she is not quite ready to serve.
4. Be available for the entire week. The hours are 7:30am-5:30pm, Monday-Friday for each week you wish to volunteer. For planning purposes and for adequate supervision of children and programs, we expect a certain number of lead and volunteer counselors. We ask that you **only sign up for** weeks that you are available each day from 7:30 a.m.—5:30 p.m.
5. Keep up with your own community service requirements. If you are volunteering to receive community service credit for school or another organization, it is your responsibility to provide the proper forms to be signed by our staff.
6. Have completed the 7th grade.
7. Be a growing Christian. The foundation of our Kids Kamp is sharing Christ with our kampers and their families. You are a valuable part of this so we want to know that you are growing and maturing in your own faith so that you can share that with younger kampers.
8. Complete an informal interview with a CLC staff member. This is only for first time volunteers and will take place in April before our May training.

Please keep this page for your records.
