9. ***“The gospel came to you because it was heading to someone else. God never intended for your salvation to be an end, but at beginning. God saved you to be a conduit through whom His glorious, life-changing gospel would flow to others.” – Robby Gallaty***
10. 1 Corinthians 4:1
11. **“It is not our business to question the power of the gospel; it is our business to proclaim it. There are two great words of the gospel – the word “Come” is the call to a needy world and the word “Go” is God’s marching orders for His church. What will we do about it? We must come to him for our orders and then when we have come to Him, we will be in position to hear the cry of the world saying, “Come and give us the message we need to hear for peace and liberty” – Lewis Handley Wright**
