8. ***“Jesus did not end up on the cross by failure of his ministry. Peter declared that Jesus was delivered by God the Father according to the predetermined plan of God. Jesus Christ was the Lamb of God, who was sent to die. This great truth should give Christians everywhere steady assurance that God is truly in control of world history and in control of our lives. Our God is not waiting to see how history unfolds. He is the God who acts in history. He is the transcendent, eternal, sovereign, omnipotent, and omniscient God.” – Albert Mohler***
