Flood Stage Love

Philippians 1:9-11

FULL TEXT: Philippians 1:9-11

1. Love is affection and commitment that move us to action.
2. The more we know God, the more there is to love about him.
3. The more that we love God, the more that his love invades our lives and overtakes the territory of our hearts.
4. Only God can give us enough love to give away.
