FULL TEXT: Leviticus 23:26-32

Understanding the Day of Atonement:

1. To atone means to cover, cancel, cleanse, forgive, pardon, or reconcile.
2. The people would fast, not feast.
3. A sacrifice was made and a scapegoat was sent away.

FULL TEXT: Leviticus 16:20-22

4. It was only enough until the next year.

It's a new day, but we have the same need:

1. We have a sin problem.
2. God is the only one with the solution to our problem.

FULL TEXT: Hebrews 9:11-14

3. God's solution is always greater than our problem.

FULL TEXT: Hebrews 10:19-23

How do we respond today?

1. React with repentance.
2. Receive a restored relationship.
3. Remember the promise.
