Then I pictured a person being allowed to wander for a lifetime around all seven continents. He would be permitted to bend down only one time and pick up a piece of tile. What are the odds it would be the one tile whose reverse side was painted red? The odds would be the same as just eight of the Old Testament prophecies coming true in any one person” Lee Strobel***

13. ***“When you are going through something difficult, its good to talk to someone who has walked the same path, who knows personally what you have been going through. If God has really been born in a manger, then we have something that no other religion even claims to have. It’s a God who truly understands you, from the inside of your experience. Christmas show he knows what you are going through. When you talk to him, he understands. As Wonderful Counselor he walks with us even into and through the shadow of death, where no other companion can go. He is the light for us when all other lights go out.” – Timothy Keller***
